## **THE STONEGATE FLOWER SHOW 2022 SCHEDULE**

The Stonegate Flower Show had become an annual event and was enthusiastically supported. However, due to Covid restrictions, we had to cancel 2020 and 2021, so we are delighted to be back and look forward to receiving your entries and seeing as many of you as possible on the day.

The entry form, fees and details of how to enter can be found at the back of this schedule.

Exhibitors must bring their entries along between 8.30am and 10.45am. The Hall will be closed for judging at 11.00am.

The Flower Show opens at 2.00pm and the presentation of cups and trophies will be at 2.30pm. Tea and Pimms along with a selection of delicious homemade cakes will be available, so bring the family and enjoy a relaxing afternoon.

### **Hints and tips for exhibitors**

Hints and tips have been prepared to help give a few pointers to all entrants, especially the beginners amongst us. You'll find them throughout the schedule but here are a few general tips:

- Read the rules at the back of this schedule.
- Check the number of exhibits and measurements required in a class. An incorrect entry will be disqualified and the card marked NAS (not as schedule).
- Judges and visitors like to see the name of the variety you are exhibiting. Please provide this information where possible.

Show Committee: Janie Hunter, Kate Luckhurst, Anne Scoones, Pippa Parker, Sue Blackden, Jennifer Ruffy, Karina French and Jane Altenhoven.

## **RECIPE FOR SUMMER PUDDING FROM DELIA ONLINE (Class 26)**

### **Ingredients**

Serves 8

225g redcurrants

110g blackcurrants

450g raspberries

7-8 slices of white bread from a large loaf, crusts removed

150g golden caster sugar

Butter for prepping the bowl

### **Preparation Method**

1. Lightly butter a one litre pudding basin.
2. Separate redcurrants and blackcurrants from their stalks. Rinse all the fruits and place in a large pan with the sugar. Cook over a medium heat for 3 to 5 minutes until the sugar is dissolved and the juices begin to run. Beware of overcooking.
3. Trim one slice of bread to fit the base of the pudding basin and cut 4 slices in half to line the side of the basin, overlapping at the straight edge with the rounded side down and sealing well by pressing sides together. Fill in any gaps with small pieces of bread so that no juice can get through when you add the fruit.
4. Pour the fruit and the juice in - except for about a cupful - then cover the pudding with the remaining bread and place a small plate or saucer on top. Place a 1.8kg weight or any other heavy object on top of the saucer, then leave in the fridge overnight.
5. Just before serving, loosen the pudding and turn out onto a large serving dish. Spoon the reserved fruit and juice all over to soak any bits of bread that still look white.
